Dear Mr. Hartel:

Thank you very much for your gift from Valley Fire Protection \$3,720 (\$5,000 less ticket costs) in support of our 2013 Real Estate Gala.

We deeply appreciate this vote of confidence in our Marshall Bennett Institute for Real Estate. Today, more than ever, we need to provide access to a university education for all qualified students preparing to become leaders in the field of Real Estate. Support for Roosevelt University is one of the best investments that can be made in our young people and, therefore, in our nation's future.

Please accept my gratitude for this support of Roosevelt University and for our students, who will directly benefit.

Cordially,

Charles R. Middleton
